Introduction

INTRODUCTION

The New National Assurance Company Limited (herein after referred to as The Company or Insurer) agrees to provide you with insurance cover subject to the terms and conditions of this policy during the period of insurance for which the premium has been paid. The application and declaration made by you form the basis of this policy.

We regard all information requested by us and provided by you as material in assessing and accepting risk under this policy.

Your policy schedule along with the policy wording must be read as one.

GENERAL CONDITIONS (APPLICABLE TO ALL SECTIONS OF THIS POLICY)

Premium Payment

Cover will be provided for those periods of insurance for which premiums have been paid to us within the valid receipt period (as stipulated in your policy schedule).

For monthly policies, if payment has not been made on the payment date, a 15-day grace period will be extended from commencement of the second month of the policy; and failing further premiums received, cover will lapse from the date on which the unpaid premium first became payable (due date).

If you place a stop payment on your premium, cover will automatically be cancelled, effective from, and including the day that the premium had become due.

For annual policies, payment is due at inception of cover, and on or before renewal of the policy.

The company shall not be obliged to accept premium tendered to it after inception date or renewal date as the case may be but may do so upon such terms as it at its sole discretion may determine.

Claims Made Easy

When you want to claim you must notify your broker.

Remember you will need the following:

- ✓ Your commercial policy number.
- ✓ A detailed description of what happened.

Note – notification to the broker will then be deemed to be notification to the insurer as we prescribe this method of notification.

Where we choose to replace or repair, we shall not be obliged to do so exactly or precisely but only as circumstance may reasonably allow. A contribution will be required by you where, as a result of repair or replacement, the condition and/or value of the insured property is improved. In the event of a settlement by us for a total loss, the insured property or its salvage shall become solely our property.

OUR RIGHTS AFTER AN EVENT

We may take over and conduct the defense or settlement of any claim and or recovery from any third party and have the right to use your name for this purpose. You should provide every assistance and co-operate fully without delay when called upon to do so.

We may at any time give up control of any defence, settlement, or proceedings and pay you the full amount of our liability, or any lesser amount for which the claim can be settled. If we do so, we will be discharged from all further liability.

RIGHTS OF OTHERS

This policy gives rights to you only. Our liability for losses of any other person gives no right to that person to claim against us. However, you may (in such case) submit a claim on behalf of such persons.

MORE THAN ONE POLICY

If at the time of a claim the loss, damage or liability is covered by any other insurance, we will not pay more than our pro-rata share. You are obliged to inform us of any other insurance at the time of submitting your claim about the existence of this dual insurance.

IN ORDER FOR US TO CONSIDER YOUR CLAIM

You must fulfill the following obligations. If you fail to meet these obligations, your claim may be rejected:

- ✓ Pay your premium.
- ✓ Give us true and complete information.
- ✓ Take all reasonable care and precaution to prevent or minimise loss, damage, liability, injury or death.
- ✓ Agree to comply with all our reasonable requests.
- ✓ Prove ownership and value of any item that you are claiming for.
- ✓ Inform us as soon as practically possible if any of the policy details or declarations are incorrect or if any of these details or declarations change.
- ✓ Tell us if you change the address where you keep the items we insure.
- ✓ Not admit any fault nor make any offer of/or settlement without our written agreement.
- ✓ Tell us about anything you have not yet disclosed but that may be important for us to know in order to accept your policy, or about anything that changes that may be important for us to continue accepting your policy.
- ✓ All insured motor vehicles must be licensed and in a roadworthy condition in terms of applicable legislation at all times including at the time of an accident.
- ✓ Comply with and adhere to all Laws, and Regulations which are material to the risks insured.
 - i. The insured warrants that all Laws, Regulations, By-Laws and Rules that apply to the insureds business(es) or any other matter for which cover is provided in terms of this policy, (irrespective of whether the Laws, Regulations, By-Laws and rules are in force at the date from which this policy is issued, or are enacted thereafter), shall be adhered to at all times.
 - ii. The failure to adhere to any applicable Law, Regulation, By-Law or Rule, shall entitle the insurer to reject any claim where such failure to comply with the applicable Laws, Regulations, By-Laws or Rules are causal to such claim or loss.
 - iii. Should the insured not adhere to these obligations; the company may reject the claim. Furthermore, the company may void the whole or any part of this policy and/or sections as from inception or date of change or the rejection of a claim.

THE STATUTES, APPLICABLE LAWS, BY-LAWS, REGULATIONS, AND RULES SHALL INCLUDE BUT ARE NOT LIMITED TO:

- d. The Electricity Act No. 41 of 1987 (as amended), and the provisions and regulations made in terms of the compliance to an Electrical Certificate of Compliance (COC) as required and requested and/or any other act or Ordinance pertaining to the supply of electricity all as read in conjunction with the Criminal Procedures Act no. 51 of 1977 (as amended)

DISPUTED CLAIMS AND TIME LIMITS

After informing you of our decision on a claim, you will be allowed 90 days to make representation to us regarding our decision if you do not agree with this decision. Following your representation, should your dispute not be satisfactorily resolved, you may institute legal action by the service of summons against us. The summons must be served on us

within 180 days of us originally informing you of our decision, failing which, you will forfeit your claim and we will have no liability from such claim.

Your claim will no longer be legally enforceable after 12 months, unless you have started legal action against us, or the claim concerns your legal liability towards a third party. If you go beyond any of these time limits, your right to the payment of the claim will lapse.

FRAUDULENT OR DELIBERATE ACTS

You will not be indemnified for a claim and will forfeit all rights in terms of this policy:

If it is found in any respect, to be fraudulent.

OR

If you or anyone acting on your behalf deliberately causes the loss, damage, or injury.

NOTIFICATION TO CHANGES AND CANCELLATION

We may change or cancel your policy by giving 30 days written notice electronically, or by post to your postal address as shown on the policy schedule. You may change or cancel your policy with immediate effect, by post or electronic mail to our address details as per the policy schedule.

AVERAGE

It is important that you insure your property for its full replacement value and review the value on an annual basis, with your broker. If there is under-insurance at the time of loss or damage, you will be considered your own insurer and will bear a proportional share of the loss or damage. We will only be liable to pay our proportionate share of the loss or damage.

CASE STUDY

How does Average work?

Commercial Builders CC has insured its property for R 2,000,000 and since coming on cover 3 years ago has not increased its sum insured to be in line with current replacement values. The company now suffers a loss of R 500,000 and submits the claim to the Insurer. At the time of the claim, it is established that the replacement value of the property is R 3,000,000. In terms of our policy, and the condition of Average, due to it being "Under-Insured", the claim will be proportionately settled, using the following calculation.

$$\begin{array}{l} \text{R2 000 000 (Sum Insured)} \\ \text{-----} \times \text{R500 000 (Loss)} = \text{R333 333} \\ \text{R3 000 000 (Value at Risk)} \end{array}$$

Settlement to Commercial Builders CC will thus be R333 333.

WARRANTIES

The cover provided to you by this policy is subject to the warranties as mentioned in the "Notes/Extensions/Endorsements" section of the policy schedule.

WHAT YOU PAY WHEN YOU CLAIM – THE EXCESS

You will be responsible to pay the basic excess and any additional excesses stated in the policy schedule.

JURISDICTION

This policy is subject to South African Law and the jurisdiction of the courts of the Republic of South Africa.

REPATRIATION

If your insured vehicle is damaged outside the Republic of South Africa, you will be responsible for the cost of repatriation, unless we have agreed in writing to bear such costs.

INSURABLE INTEREST

For you to have cover, you must have an Insurable Interest in any item insured under this policy. You must be the owner or have a financial interest in the item insured.

The provisions of this condition shall, if applicable, operate cumulatively with the provisions of the specific condition relating to average.
4. In consideration of the insurance not being reduced by the amount of any loss, the insured shall pay additional premium on the amount of the loss from the date thereof to expiry of the period of insurance and such extra premium shall not be taken into account in, and shall be distinct from, the final adjustment premium.

Machinery Breakdown

DEFINED EVENTS

Any unforeseen and sudden physical loss of or damage to the insured property (or any part thereof) whilst on the premises by causes such as: defects in casting, defects in material, faulty design, faults at workshop or in erection, bad workmanship, lack of skill, carelessness. Shortage of water in boilers, physical explosion, tearing apart on account of centrifugal force, short circuit, storm or from any other cause not specifically excluded in terms of any Exception which is applicable to this policy as a whole or to this Section in particular, that necessitates repair or replacement of the insured property.

Provided always that

- a. The company will indemnify the Insured in respect of such loss or damage, as hereinafter provided by payment in cash, replacement or repair (at the option of the company) up to an amount not exceeding in any occurrence in respect of each of the items specified in the schedule of this Section, the sum insured set opposite thereto and not exceeding in all, the total sum insured expressed in the schedule of this Section;
- b. no sum insured under this Section shall be reduced by the amount of any claim paid or payable by the company subject to the Insured loss or damage for the remaining portion of the (annual) period of insurance;
- c. this insurance shall apply to the insured property after successful completion of their performance acceptance tests whether they are at work or at rest or being dismantled for the purpose of cleaning or overhauling, or in the course of the aforesaid operations themselves, or when being shifted within the premises, or during subsequent re-erection.

Basis of indemnity

- a. If damage to the insured property can be repaired - the company will pay the expenses necessarily incurred to restore the damaged insured property to its former state of serviceability plus the cost of dismantling and re-erection incurred for the purpose of effecting the repairs as well as ordinary freight to and from a repair shop, customs duties and dues if any, to the extent such expenses have been included in the sum insured. If the repairs are executed at a workshop owned by the insured, the company shall pay the cost of materials and wages incurred for the purpose of the repairs plus a reasonable percentage to cover overhead charges.

No deduction shall be made for depreciation in respect of parts replaced, but the value of any salvage shall be taken into account. If the cost of repairs as detailed above equals or exceeds the actual value of the insured property immediately before the occurrence of the damage, the property shall be regarded as destroyed and settlement shall be made on the basis provided for in (b) below.

- b. In cases where the insured property is destroyed - the company will pay the actual value of the insured property immediately before the occurrence of the loss, including charges for ordinary freight, cost of erection and customs duties, if any, provided such expenses have been included in the sum insured; such actual value to be calculated by deducting proper depreciation from the replacement value of the insured property. The company will also pay any normal charges for the dismantling of the insured property destroyed, but the value of any salvage shall be taken into account.

Provided always that

- i. the cost of any alterations, additions, improvements or overhauls shall not be recoverable under this section;
- ii. the cost of any provisional repairs shall be borne by the company if such repairs constitute part of the final repairs and do not increase the total cost of repairs;

- iii. the company shall make payments only after being satisfied by production of the necessary bills and documents that the repairs have been effected or replacement has taken place, as the case may be.

Sum insured and average

It shall be a requirement of this Section that the sum insured is equal to the cost of replacement of the insured property by new property of the same kind and capacity, which means its cost of replacement including for example freight dues, and customs duties, if any, and cost of erection. If the sum insured is less than the new replacement value including freight dues, custom duties and erection costs, the insured shall be considered to be their own insurer for the difference and shall bear a rateable proportion of the loss accordingly. Every item (if more than one) shall be separately subject to the foregoing stipulations.
